### The 1916 Overland Model 83 \$750.00

This latest development of the celebrated Overland factory has just made its appearance in the State, and I am fortunate in getting one of the very first cars shipped into the State, considering the fact that dealers and individuals are clamoring for them in a way never before known on first announcement of a new model car, and the reason is easy to understand when you see this remarkable, up-to-date, up-to-the-minute, 35-horsepower car, with all of its beauty and refinements coupled with convenience, comforts and power never before heard of at the ridiculous low price of \$750.00. It's useless to describe it here—to see the car itself is more convincing.

I am expecting to attend the Overland Dealers' Convention in Houston, Thursday, June 10th, and hope to carry in orders for at least five more of these cars when I go, and urge those who are in the market for cars this season to see me at once for more detailed information and to place their orders in time to get ahead of the hundreds who are sure to buy these cars as fast as they can be delivered. Don't wait—do it now.

Phone 429 or see S. M. Hunter, contract dealer for Brazos County.

### CONLEE-LOCKE.

Popular Young Bryan Couple United in Marriage.

A wedding of more than ordinary interest and note to the people of Bryan and vicinity on account of the popularity of the parties involved, was that of Mr. Jesse Conlee and Miss Florence Locke, both of Bryan, solemnized at 3 o'clock yesterday afternoon at the home of the bride parents, Mr. and Mrs. A. L. Locke, Rev. M. E. Weaver, pastor of the First Baptist Church officiating.

The ceremony was performed in the presence of only a few close friends and the members of the families. The time honored ring ceremony was used and very sweet and impressive were the sacred vows taken by the young couple which united their lives and destinies for aye and aye.

The bride is a daughter of Mr. and Mrs. A. L. Locke, is one of Bryan's most worthy young ladies, and by her sweet and gracious manner has won a large circle of close friends with whom she was a general favorite.

The groom is the youngest son of City Marshal and Mrs. Jno. D. Conlee, and holds the responsible position of bookkeeper with Hardy Newton a local merchant. He is a young man of quiet disposition, exemplary habits and is building a reputation which will bring him high rank among the young business men of the city.

A host of loving friends wish for the happy young couple who are just entering the new and greater life, a life of happiness for themselves and a life of usefulness and service for others.

Mr. and Mrs. Conlee are at home to their friends in the Stevenson cottage on North Wheelock street.
